Study Leave Information/ Procedure

DIRECTOR of MEDICAL EDUCATION: Miss Jackie Waterman

GENERAL INFORMATION:

- **ALL Study Leave requests must be authorised and approved before attending courses or costs/leave will not be granted.**
- **All Trust Mandatory Training must be completed and up-to date.**
- **Incomplete forms will be returned for completion which may cause delay in authorisation and/or reimbursement.**
- **Reimbursement claims must be submitted within 3 months of attendance of course/conference as per NHS England guidelines.**
- Private Study should be taken as near to the Exam date as possible. 5 days Private Study leave may be taken for each exam.
- Exam fees are over and above this allocation. Exam costs are met by the doctor.

NHS England will support one exam preparation course for each component part of any given exam sitting. (For instance, if the exam consists of separate written and viva/OSCE then NHS England will fund a course towards the written and one towards the OSCE/viva). Applications for more than one course per component of any given exam sitting must be justified to be of educational benefit, and any additional courses will be subject to discretionary approval by the Training Programme Director and the Head of School.

If you are unsuccessful in any part of an exam and you wish to repeat a similar course for a subsequent sitting of the exam, then you should apply for discretionary funding for subsequent courses. This is to ensure that you are receiving the correct support from your TPD and your Head of School confirming available budgets.

- Study Leave application forms are available from the Medical Education Centre and Trust Intranet.
- Proof of attendance and receipts must accompany all reimbursement claims.
- Conference/Course costs are paid by the individual doctor and reclaimed after attending the course. Proof of attendance and expenses must be provided, including travel costs if applicable.

DOCTORS IN TRAINING POSTS

Please ensure that your request forms part of the NHS England approved course list before submitting your form to the Medical Education department. Forms must be approved by ES/CS before submission. Complete the form stating that your request is either a Mandated or Optional request. You will need to complete Discretionary requests on the NHS England (HEE) portal after discussing with ES & TPD and before completing the request form. *Mandated, Optional and Discretionary codes must be included on forms before they are submitted to the Medical Education department.*

CONSULTANTS

Consultants should have their study leave form countersigned by Clinical Lead or Assistant Clinical Lead.

Clinical Leads must have their study leave form countersigned by the Medical Director (CMO).

PROCEDURE:

- Complete the Study Leave request form giving all information before attending course/conference.
- Your Consultant/ES/CS must authorise the Study Leave form before forwarding to the Education department for approval.
- ***The ONUS is on the doctor to let the Medical Education department know once they have attended the course, and to provide adequate receipts/proof of attendance for reimbursement along with the original/copy of approved application form within the given timescale.***
